

# TEE PEE

**MEXICAN  
FOOD**

**PHOENIX**

**Open Daily 11AM**

**We Cater!**

The Tee Pee Mexican Restaurant was started by Tony and Anna Duran in the 1960's. Tony bartended while Anna did the cooking. During the late 1970's their daughter, Kathy, and son-in-law, Zip, started to run the family business. Now, they are the owners and are teaching their children, Jefe and Julianna, to run the business. You can always find a family member at The Tee Pee. Your server is probably a niece or nephew. You will always be greeted at the door by a friendly face. Being apart of the Arcadia area for so long the vast majority of our customers are like family. We are all family at the Tee Pee.

The Tee Pee is nothing fancy. We have often been referred to as a Mom and Pop Restaurant. We serve our meals with paper napkins while you relax in one of our original booths from the 1960's. Some of our customers have been eating here for four generations.

While you are waiting for your table you can browse the walls of fame. We have had many famous visitors at our restaurant. President Bush and

Willard Scott, from the Today Show have been our guests. Not to mention, a great number of famous sports athletes and movie stars have eaten here, as well. Be it a famed celebrity or a local community hero, you never know who you might be sitting next to, here at The Tee Pee.

The Tee Pee has a fantastic full service bar equipped with televisions that are always showing your favorite sports. We also have a relaxing patio where you can just hang out or enjoy the music while you wait for a table. So come in and cool off with one of our great margaritas and homemade chips and salsa.

We serve traditional Mexican food. The recipes have been in the family for years. We serve all your favorites such as beef and green corn tamales, albondiga soup, and the President's favorite; cheese enchiladas. We are famous for our chili rellenos which are like an egg soufflé. All of our food is homemade and prepared fresh daily. We also offer delicious party trays and for your larger events we can provide full service catering.
